

SAJ Limited Warranty for Storage System

This Limited Warranty applies to SAJ Electric H1 Series + B1 Series Storage System purchased and installed in Europe.

Products covered:

H1 Series + B1 Series Storage System

Warranty Period

Guangzhou Sanjing Electric Co., Ltd. (hereinafter referred to as SAJ) provides a standard warranty period of 120 months (10 years) from the date of completion of commissioning or 126 months (10 years and 6 months) from the date of product shipment from SAJ, whichever is earlier. The Battery system must comply with the operating conditions under the specification and the installation manual supplied by SAJ.

Limited Performance Warranty

SAJ guarantees that the battery part retains sixty percent (60%) of Nominal Energy for 10 years from the commissioning date (no more than ten years and six months (126 months) from the date of product shipment from SAJ), or for a Minimum Throughput Energy which is calculated from the commissioning date, whichever comes first, under the standard capacity test conditions (see below).

Product Model	Nominal Energy (KWh)	Minimum Throughput Energy (MWh)
H1-3-6K-S2+B1*1	5.12	16.1
H1-3-6K-S2+B1*2	10.24	32.2
H1-3-6K-S2+B1*3	15.36	48.3
H1-3-6K-S2+B1*4	20.48	64.4
H1-3-6K-S2+B1*5	25.6	80.5
H1-3-6K-S2+B1*6	30.72	96.6
H1-3-6K-S2+B1*7	35.84	112.7
H1-3-6K-S2+B1*8	40.96	128.8

Standard capacity test condition:

Under ambient temperature of 25-28°C, ambient humidity of 30%~80%.

Standard charge: charge the battery pack with 20A constant current under constant voltage until the cut-off voltage reaches 58.4V and the cut-off current reaches 0.02C (2A), wait for 10 minutes.

Standard discharge: discharge the battery pack with 20A constant current until the cut-off voltage reaches 40V.

Preconditions for Warranty

- The defect of product occurs within the warranty period as determined above.
- If the covered product has failures or warnings which leads to system not working or working abnormally, the relative information must be reported to your distributor within 14 days of appearance. Or, please call the SAJ service Hotline for record and send the warranty card to SAJ Service Center by fax or email within 14 days of appearance.
- Covered product must be operated within the working temperature range 0~50°C and shall not be exposed in an installed area to direct sunlight.
- Covered product should be installed and commissioned by a SAJ authorized installer.
- The covered storage system shall only contain SAJ brand compatible inverter and battery.
- End user shall operate and use the product properly according to User Manual.
- The installation of battery part for the end user shall be completed within 6 month from the date of product shipment from SAJ.
- This warranty covers a capacity equivalent to 1 full cycle per day. The product is not suitable for supplying life-sustaining medical devices and automotive application.
- It is required that all the storage systems have internet connection for SAJ monitoring. Those systems that are not connected to internet, SAJ Limited Warranty for Storage System may become null and void.

Claiming Process

In the event of a fault, please contact the installer who sold you the battery to arrange preliminary troubleshooting and contact SAJ if necessary.

In order to make a claim under this warranty. End user must:

- Provide all of the information requested in the Warranty Card accompanying these Terms.
- Provide the serial number of the product and installation date.
- Provide the proof of the original purchase of the product and any subsequent ownership transfer.
- Provide description of alleged defect(s).

Remedy

- If the covered product is confirmed by SAJ or authorized service partner to be defective or non-conformity, SAJ will replace or repair the defective or non-conforming product at its sole discretion. Any maintenance or replacement shall not be deemed as extension or recalculation of warranty period.
- SAJ will be responsible for the approved repair or replacement costs in connection with such non-conforming or defective products. The replaced battery or product in exchange will become SAJ's property immediately.
- If the product/parts are not manufactured anymore, SAJ, at its option, may replace it with a different type of product with equivalent function and quality to the origin product/ part or refund the market price of an equivalent product at the time of the warranty claim.
- If the product is repaired or replaced under this warranty, the remaining warranty period of the original product will apply to the repaired or replacement product.
- The replacement battery or accessories may not be a brand new item, but the quality and specification are in accordance with product specification.

Exclusion of Liability:

Product problems caused by the following conditions are not covered by the warranty. (SAJ authorized dealers and distributors are responsible for the following investigations).

- Warranty period specified above has already expired.
- End user fails to provide all the information required for Claiming Process.
- Failure to notify distributor, dealer or SAJ of defective products within 14 days of appearance.
- Attempt to modify product, whether by physical means, programming or otherwise, without the permission from SAJ or by personal unauthorized by SAJ.
- Product damage and defect caused by improper installation, commissioning, use and operation by end user or personal unauthorized by SAJ, which fails to comply with any/all user manuals.
- Damage to product during transportation, incorrect installation, exceedance of working temperature range during use and improper use.
- Use of incompatible PCS (inverter, DC/DC converter etc.).
- Insufficient ventilation of Battery.
- The effects of other objects and force majeure (including but not limited to floods, lightning, earthquake, grid overvoltage, bad weather, fire, etc.).
- Removal and reinstallation of the product at a location other than the original installation location, without the permission from SAJ.
- Cosmetic defects on the enclosure that does not affect the normal operation of battery.
- Product damage caused by the intentional or gross negligence of the end user.
- Defects of product arise due to amendment or modification of national or regional laws or regulations.

Non-applicability of Warranty Claim

If the claimants do not conform to the above warranty terms, SAJ will claim for all other expenses incurred by the claimants.

Warranty Limitations and Disclaimer

Unless otherwise specified herein, to the extent permitted by applicable law, this Warranty and above remedies shall be exclusive and replace all other guarantees, remedies and conditions, whether oral, written, statutory, expressed or implied. To the extent permitted by applicable law, SAJ expressly disclaimed any and all legal or implied warranty, including but not limited to warranties of merchantability, fitness for a particular purpose and any warranties against latent or potential defects. If SAJ cannot disclaim implied warranty as prescribed by applicable law or the guarantee specified by applicable laws, SAJ limits the duration of and remedies for such guarantees and warranties to durations and remedies described in this Limited Warranty.

No distributor, agent or staff of SAJ and / or SAJ authorized service partner can modify or waive any part of this warranty.

The legality and enforceability of remaining clauses herein shall not be affected or damaged if any of clauses herein is adjudged to be illegal or unenforceable.

To the greatest extent permitted by law, SAJ will not be liable for any consequential, incidental, direct, indirect, special, accidental, punitive or derivative losses arising out of or related to this purchase or use of Products and its system, including but not limited to the loss of use, loss in income, actual or expected loss in revenue (including contract revenue losses), loss of the use of money, loss of anticipated savings,

loss of business, loss of opportunity, loss of goodwill, loss of reputation, personal injury or damage loss, or the indirect or derivative loss or damage (including any expense arising from the replacement of equipment and property, resumption of production, etc.) caused by any reasons.

To the greatest extent permitted by law, SAJ's liability from any cause whatsoever under this warranty shall not exceed the amount of the purchase price paid by end user to SAJ for such product. Some countries and regions do not allow, or restrict, the exclusion or limitation of damages, including incidental or consequential damages, so the above limitation or exclusion may not apply to you, or may only apply to a limited extent.

Out of Warranty

If the warranty is expired, SAJ will charge the end user for on-site service expense, parts expense, labor expense and logistics expense. Please see the table below for detailed standards:

	Send back to the factory for repair	On-site service
No need to replace parts	Labor costs + logistics costs (delivery cost of devices from and to SAJ)	Labor costs + on-site service fees
Need to replace parts	Labor costs + parts costs + logistics costs (delivery cost of devices from and to SAJ)	Labor costs + on-site service fees + parts costs

Note:

On-site service expense: Travel cost of technicians present at the site.

Parts expense: Cost of replacement parts (including any freight/management fees).

Labor expense: The labor cost of technicians, including personnel who repair, maintain, install (hardware or software) and debug faulty equipment.

Logistics expense: Logistics costs for delivery of defective products from customer to SAJ and replacement products from SAJ to customer, including customs duties and other derivative charges.
